ORDER

The Government of India have introduced reservation policies to provide for an equal platform for everyone irrespective of their caste and economic status. Based on overall assessment of the requirements of residents of particular territories for whom it is essential to provide facilities for higher education and also to uplift such areas from their backwardness, reservation is being allowed on territorial, geographical or other reasonable basis, also.

The Ministry of Human Resource Development is having schemes of reservation of seats in Engineering, Technology, Architecture and Pharmacy courses conducted at Degree and Diploma level technical institutions approved by the All India Council for Technical Education (AICTE), for States and Union Territories (UTs) which do not have Engineering Colleges/ Polytechnics or lack facilities for education in specific fields of Technical Education and for certain categories including foreign students. Kerala Agricultural University, being a public funded University is strictly following the reservation policies of the Government, during admissions.

As per the minutes read (1) & (2), it was proposed to create supernumerary seats to provide for an opportunity for higher education to the students from the UTs. It was recommended that two supernumerary seats each shall be created in each college under KAU to provide for reservation of seats in UG programmes for the residents of Union Territories with a fee of Rs. 1 lakh per semester.

The Special Academic Council as per paper read (3) has approved the proposal.

In the circumstances, the following orders are issued.

- Sanction is hereby accorded to create two supernumerary seats at each college under KAU to provide for reservation of seats in all Under Graduate programmes for residents of Union Territories from next Academic Year (2024-2025) onwards.
- The reservation of seats made under the Scheme will have the following seat matrix.
